

REGISTRATION & PAYMENT GUIDELINES

MEMBER DISCOUNT

RIVHSA members are eligible for discounted registration rates. To receive a member discount, you must hold an active RIVHSA membership at the time of registration. (Our membership year runs from October 1 through September 30 of each calendar year.) To avoid paying non-member registration rates, renew or join before you register. Membership status will be verified by RIVHSA staff, who will contact registrants in cases of lapsed membership to proceed with reactivation or transition registration to the non-member rate.

RIVHSA EVENT DISCLAIMERS/ADVISEMENTS

Participants understand and agree that:

1. By registering and/or attending a RIVHSA event, participants assume all the foregoing risks, release and hold harmless RIVHSA, its directors, officers, employees, agents, representatives, exhibitors, licensees and other participants of and from any and all claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating to my attendance or participation in the event.
2. RIVHSA encourages the exchange of diverse opinions at our conferences. Thus, the ideas presented do not necessarily reflect RIVHSA's official position on a particular topic or issue and RIVHSA assumes no responsibility for any statement of fact or opinion presented at our conferences. In addition, the acceptance of advertising or exhibitors does not imply endorsement of products or services by RIVHSA.
3. Attendance at RIVHSA's events and related activities constitutes consent by the attendee to RIVHSA's use or distribution (both now and in the future) of the attendee's image, likeness, and appearance in photographs and/or video of such events and activities.

CONTINUING EDUCATION UNITS (CEU)

CEUs will not be offered at this event but we plan to resume offering this option soon. RIVHSA provides a Certificate of Attendance as proof of conference attendance to document professional development for non- licensed professionals. It is not designed to comply with regulations of licensing/certification boards or other regulatory agencies for use of license renewal or to meet continuing education requirements.

The continuing education unit (CEU) is a unit for measuring and recording an individual's participation in non- degree credit educational activities. One tenth (0.1) CEUs are issued for each approved contact hour of participation in an organized continuing education experience under responsible sponsorship, capable direction, and qualified instruction.
